

# WE **BUILD** NATIONS

# ABOUT MANAGING DIRECTOR

## RAJESH KUMAR

(B.E) & (MBA from NICMAR)

Rajesh Kumar is an established and well-respected expert in the construction industry. Rajesh has built his career on bringing the most outlandish conceptual visions from blueprints to a street next to yours and also he is responsible for managing all aspects of the contractual and financial side of construction projects. And also he is concerned with developing time plans on construction projects to ensuring that the project is completed safely, on time and within budget

# OUR HISTORY

Our Construction Company Has Been Founded  
**8 YEARS AGO**  
At The Very Peak Of The Building Frenzy In India...

DISHA Contracts Pvt. Ltd. Is the name behind many of the india's most advanced and prestigious facilities. Since 2013, we have been providing our clients with reliable solutions to their most complex construction challenges. Today , we are recognized as a regional leader in the industry, for our strength in traditional construction methods and for our creative , fresh approach to cutting edge technologies and delivery systems. Our expertise spans the construction industry spectrum, from smaller renovations to multi- million dolor projects. We specialize in Commercial and residential multi- storeyed apartments and condominiums as well as infrastructure projects such as water and waste water treatment plants, and also we are started some MEP projects Such as Plumbing, fire fighting works in residential apartments.

Our success is driven by more than building some of the most advanced facilities for our corporate, institutional and government clients. More and more of our clients are turning to us for our distinctive ability to implement innovative project management techniques and to serve as a reliable provider of knowledge-driven solutions for their complex construction projects.

Our team of construction professionals offers a single source solution for all of your construction related needs. Whether it's restoration, site preparation, a new facility or facility renovation, we have the experience and personnel to provide the highest quality construction on schedule and within budget. We support our clients from project inception, to the commissioning of the fully operational facility. And our network of local offices enables us to offer our clients the dual advantage of a strong local presence and broad geographic reach

# ABOUT COMPANY

Our construction company has been founded 8 years ago, at the very peak of the building frenzy in india...

DISHA Contracts Pvt. Ltd. Is the name behind many of the india's most advanced and prestigious facilities. Since 2013, we have been providing our clients with reliable solutions to their most complex construction challenges. Today , we are recognized as a regional leader in the industry, for our strength in traditional construction methods and for our creative , fresh approach to cutting edge technologies and delivery systems.
